NOTICE TO BIDDERS

Dear Bidder, we welcome you to our auction house. Please note the points below to assist you with the registration, bidding and payment at our auctions.

REGISTRATION FOR BIDDING:

If you are registering with us for the first time or have not bid successfully in the past, we require a deposit of HK\$50,000. If you intend to bid more than HK\$200,000 the deposit may be higher. The deposit will be deducted from your invoice should your bid be successful. If you are unsuccessful, your deposit will be returned by the same means by which it was paid. In addition we will ask for your bank and trade references.

We encourage new clients to register for bidding at least 48 hours prior to the commencement of the sale to allow sufficient time to process the registration.

Prior to the auction, some lots may be designated as "Premium Lots", which means a deposit may be required before placing a bid on the item for sale. Information will be posted on our website in such an event.

Spink have the right at our own discretion to refuse admission to our premises, attendance at an auction and decline submitted bids.

BIDDING METHODS:

In person - You will be given a registration form that you will need to fill in providing your up to date address and contact details. Please always have your photo ID with you and, if you are bidding on behalf of a company, your business registration. ID information is collected for registration purposes only and will be kept confidential.

Submitting a bid form by email/post/fax - Again please always provide your full up-to-date contact details together with the lot numbers and the amounts up to which you would like us to bid on your behalf exclusive of Buyer's Premium/tax/postage. Should you not receive our email confirmation of your bids having been received please call our office to make sure they have been received and processed.

Submitting bids via our website - To submit bids via our website www.spink.com you need to be registered and logged in. You can leave bids via this method up to 3 hours before the commencement of the sale.

Bidding live on Spink Live - You must be registered and logged into our website www.spink.com. The live bidding applet can be accessed from one week prior to the sale via the Spink Live button on our homepage. You will see 'Auction not yet started' message that will be replaced about one hour before the commencement of the sale with the live feed. You will be able to see and hear the auctioneer live during the sale. Buyers who acquire lots on the [saleroom.com](http://www.saleroom.com) will have a fee of 3% on the hammer price added to their invoice for using this facility.

Telephone bidding - We reserve this service for bidding on lots of value exceeding HK\$10,000.

Bidding via agent - Your agent has to inform us prior to the sale that he or she will be bidding on your behalf, and the usual sale registration has to take place. He or she has to provide a letter of authorisation signed by you.

Please place your bids following our usual bidding increments published in the Terms and Conditions for Buyers.

Please note that commission and telephone bids are undertaken subject to other commitments at the time of the sale, and the conduct of the auction may be such that we are unable to bid as requested. Since this is undertaken as free service we cannot accept liability for failure to make a commission bid.

Buy bids and plus one bids will not be accepted.

Please make yourself aware of any Saleroom notices published on lots you are interested in bidding on.

If your bid is successful the Purchase Price will be the sum of the final bid and Buyer's Premium as a percentage of final bid, also a fee for bidding on the [saleroom.com](http://www.saleroom.com) only, a shipping charge if applicable and a fee for paying by card. Buyer's Premium rate is 22% of the hammer price.

Suntory - Rolling Stones 50th Anniversary

The Rolling Stones 50th Anniversary
Limited Edition, by Suntory

This whisky is a blend of carefully selected malts distilled and casked in milestone years throughout the band's 50 year history, including a Yamazaki malt from the year the band formed (1962) that has been long-aged in mizunara (Japanese oak) casks. Some Rolling Stones milestones and corresponding malts used:

1962: The Rolling Stones formed - Yamazaki malt

1971: Lips and tongue logo completed - Yamazaki malt

1972: Exile on Main St., the album including "Rocks Off," used in Suntory TV commercials is released - Yamazaki malt

1981: Signature song "Start Me Up" released - Yamazaki malt

1990: First performance in Japan's Tokyo Dome - Hakushu malt, Chita grain

Tasting Notes

Its weighty, complex aroma calls to mind both dried and ripened fruits, and even cacao and espresso, and its rich heaviness and slight bitterness expand in the mouth with a velvety smoothness. The aftertaste is a pleasant and expansive woodiness akin to the fragrance of the finest aloe wood, and a soft smokiness.

This commemorative whisky is bottled in a crystal bottle designed around the iconic lips and tongue logo. The bottle features the logo cut in relief on the front of the bottle, and a diamond-shaped decorative stopper. The bottle comes in a stylish box modeled after a black sofa. Bottled in 2012. Only 150 bottles ever released worldwide. Original release price \$6,500 USD. Comes in presentation box.

Macallan Travel Series

Single Malt Scotch Whisky

Distilled and bottled by The Macallan Distillers Ltd.

A re-creation of the 1920s, 30s, 40s and 50s style Macallan Distillery Bottling.

Each expression was named after a certain decade and was a re-creation of the typical Macallan style at that time. The series starts with a thin and fruity expression in the “Twenties”, spicier in the “Thirties” and taking a sharp turn into characteristic peatiness in the “Forties”, reflecting the toll taken in the war’s time. The “Fifties” concludes the series with a more rounded palate, a thicker body and heavier sherry influence, much more like the Macallan that we all come to know of nowadays.

CONDITIONS OF BUSINESS

Spink China Ltd (hereafter referred to as Spink) and Buyer hereby agree to the following Terms and Conditions for auctions conducted by Spink China Ltd.

1 The Buyer

The highest bidder shall be the Buyer at the 'hammer price' and any dispute shall be settled at the auctioneer's absolute discretion. Every bidder shall be deemed to act as principal unless there is in force a written acknowledgement by Spink that he/she acts as agent on behalf of a named principal.

2 The Premium

The buyer shall pay to Spink a premium of 22% of the hammer price on all lots.

3 Bidder Registration

Bidding is strictly by paddle only. All floor bidders are requested to register prior to bidding. You must complete and sign a registration form and provide an identification before making a bid at auction. Please be aware that we usually require buyers to undergo a credit check.

4 Payment

After a lot is sold the Buyer must pay to Spink the 'total amount due' within seven days after the date of the sale.

Any payments by a Buyer to Spink may be applied by Spink towards any sums owing from that Buyer to Spink on any account whatever without regard to any directions of the buyer or his agent, whether express or implied.

5 Ownership

The ownership of the lot purchased shall not pass to the buyer until he has made payment in full to Spink of the 'total amount due'.

6 Collection of Purchases

(a) The Buyer shall at his own expense take away the lot purchased not later than 7 working days after the day of the auction but not before payment to Spink of the 'total amount due'.

(b) The buyer shall be responsible for any removal, storage and insurance charges on any lot not taken away within 8 working days after the day of the auction. Please refer to the table explaining additional costs depending on where lots are lying.

7 Buyers responsibilities for lots purchased

The buyer will be responsible for loss or damage to lots purchased from the time of collection or the expiry of 7 working days after the day of the auction, whichever is the sooner, and neither Spink nor its respective staff or agents shall thereafter be responsible for any loss or damage of any kind, whether caused by negligence or otherwise, while any lot is in their custody or under their control.

It is the responsibility of the Buyer to be aware of any Import Duties that may be incurred upon importation to the final destination. Spink will not accept return of any package in order to avoid these duties. The onus is also on the Buyer to be aware of any Customs import restrictions that prohibit the importation of certain collectibles. Spink will not accept return of the Lot(s) under these circumstances. Spink will not accept responsibility for lots seized or destroyed by Customs.

If the Buyer requires delivery of the lot to an address other than the invoice address this will be carried out at the discretion of Spink.

8 Remedies for non-payment or failure to collect purchases

If any lot is not paid for in full and taken away in accordance with Conditions 4, 6 and 7, or if there is any other breach of either of those Conditions, Spink as agent of the Seller shall, at its absolute discretion and without prejudice to any other rights they may have, be entitled to exercise one or more of the following rights and remedies:

(a) to proceed against the Buyer for damages for breach of contract;

(b) to rescind the sale of that or any other lots sold to the defaulting buyer at the same or any other auction;

(c) to re-sell the lot or cause it to be re-sold by public auction or private sale and the defaulting Buyer shall pay to Spink any resulting deficiency in the 'total amount due' (after deduction of any part payment and addition of re-sale costs) and any surplus shall belong to the Seller;

(d) when reselling the Lot, place a notice in our catalogue stating that you successfully purchased the Lot at auction but have subsequently failed to pay the Hammer Price of the Lot; or

(e) to remove, store and insure the lot at the expense of the defaulting Buyer and, in the case of storage, either at Spink or elsewhere;

(f) to charge interest at a rate of 2% per month on the 'total amount due' to the extent it remains unpaid for more than 7 working days after the day of the auction;

(g) to retain that or any other lot sold to the same Buyer at the same or any other auction and release it only after payment of the 'total amount due';

(h) to reject or ignore any bids made by or on behalf of the defaulting Buyer at any future auctions or obtain a deposit before accepting any bids in future;

(i) to apply any proceeds of sale then due or at any time thereafter becoming due to the defaulting Buyer towards settlement of the 'total amount due' and to exercise a lien on any property of the defaulting Buyer which is in Spink possession for any purpose.

9 Use of Default Information

If you fail to make payment for a Lot in accordance with these Terms and Conditions

9.1 we reserve the right to refuse you the right to make bids for any future auction irrespective of whether previous defaults have been settled; and

9.2 you consent to us disclosing details of such default to other auctioneers and live bidding platforms, which will include your name, address, nature of the default and the date of the default.

Auctioneers or live bidding platforms who receive details of the default may rely on such information when deciding whether to enter into a transaction with you in the future.

10 Liability of Spink and Sellers

All goods are sold "AS IS". Illustrations in catalogues are for identification only. Buyers should satisfy themselves prior to the sale as to the conditions of each lot and should exercise and rely on their own judgment as to whether the lot accords with its description.

11 Unsold Lots

Spink reserves the right to charge commission up to one-half of the 'stated rates' calculated on the 'reserve price' and in addition 'expenses' in respect of any unsold lots.

12 Spink sells as agent for the seller and as such is not responsible for any default by Seller or Buyer.

13 Any representation or statement by

Spink in any catalogue as to authorship, attribution, genuineness, origin, date, age, provenance, condition or estimated selling price is a statement of opinion only. Every person interested should exercise and rely on his own judgment as to such matters and neither Spink nor its respective staff or agents are responsible for the correctness of such opinions.

14 While the interests of prospective Buyers are best served by attendance at the auction, Spink will, if so instructed, execute bids on their behalf, neither Spink nor its respective staff or agents being responsible for any neglect or default in doing so or for failing to do so.

15 Spink shall have the right at its discretion to refuse admission to its premises or attendance at its auctions to any person.

16 Spink has absolute discretion without giving any reason to refuse any bid, to divide any lot to combine any two or more lots, to withdraw any lot from the auction and in case of dispute to put up any lot for auction again.

17 USE OF YOUR PERSONAL INFORMATION

17.1 We will use the personal information you provide to us to:

17.1.1 process the bids you make on Lots (whether successful or otherwise) and other auction related services we provide;

17.1.2 process your payment relating to a successful purchase of a Lot;

17.1.3 arrange for delivery of any Lot you purchase, which will include passing your details to shipping providers and, on overseas deliveries, to customs where they make enquiries regarding the Lot;

17.1.4 inform you about similar products or services that we provide, but you may stop receiving these at any time by contacting us.

17.2 In accordance with clause 3, you agree that we may pass your information to credit reference agencies and that they may keep a record of any search that they do.

17.3 In accordance with clause 9, you agree that where you default on making payment for a Lot in accordance with these terms and conditions we may disclose details of such default to other auctioneers and live bidding platforms.

17.4 We are also working closely with third parties (including, for example, other auctioneers and live bidding platforms) and may receive information about you from them.

18

(a) Any indemnity under these Conditions shall extend to all actions, proceedings, costs, expenses, claims and demands whatever incurred or suffered by the person entitled to the benefit of the indemnity.

(b) Spink declares itself to be trustees for its respective relevant staff and agents of the benefit of every indemnity under these Conditions to the extent that such indemnity is expressed to be for the benefit of its staff and agents.

19 Any notice by Spink to a seller, consignee, prospective bidder or buyer may be given by pre-paid mail in Hong Kong or airmail outside Hong Kong and if so given shall be deemed to have been duly received by the addressee one week after posting.

20 These Conditions shall be governed by and construed in accordance with Hong Kong law. All transactions to which these Conditions apply and all matters connected therewith shall also be governed by Hong Kong law. Spink hereby submits to the exclusive

jurisdiction of the Hong Kong courts and all other parties concerned hereby submit to the nonexclusive jurisdiction of the Hong Kong courts.

GUIDE FOR ABSENTEE BIDDERS

ABSENTEE BIDS

If you are unable to attend an auction in person, and wish to place bids, you may consider instructing Spink Bid Department to bid on your behalf. Upon receiving your written instructions, our representative will make every effort possible to try to acquire the lot(s) of your choice at the lowest price possible, and never to exceed the top limit you indicate. This service is complimentary and with strict confidence. Spink offer this value-added service as a convenience to our clients who are unable to attend the auction, however, Spink Ltd will not be held responsible for error, omission or failure to execute bids.

PLACING ABSENTEE BIDS

To place bids, please use the absentee bid form provided in the catalogue. Be sure to accurately record the lot number(s) and the top price you are willing to pay for each lot. "Buy" bids will not be accepted. Always indicate a "top limit" - the amount to which you would bid if you were attending the auction yourself.

Alternative bids should be indicated by using the word "OR" between lot numbers. If your bid on an early lot is successful, we will not continue to bid on other lots for you. Or, if your early bids are unsuccessful, we will continue to execute bids for alternative lots until a bid is successful. Bids must always be placed in the same order as the lot numbers appear in the catalogue.

Each absentee bid form should contain bids for one auction only; the auction code number should be stated on the form. Please place your bids as early as possible. In the event of identical bids, the earliest received will take precedence.

TELEPHONE BIDS

Bids may be placed by telephone, but are accepted subject to Spink discretion and are at caller's risk. At the sole discretion of Spink, telephone bids may be recorded. By bidding on the telephone, prospective purchasers consent thereto.

BUYER'S PREMIUM

The "top limit" you indicate on your bid form is for the hammer price only. A 22% buyer's premium will be added to the successful bid price for each lot you buy and is payable by you.

ON-LINE BIDDING

We offer internet services as a convenience to our clients. We will not be responsible for errors or failures to execute bids placed on the internet, including, without limitation, errors or failures caused by a loss of internet connection by either party for whatever reason; a breakdown or problems with the online bidding software and/or a breakdown or problems with your internet connection, computer or system. Execution of on-line internet bids is a free service undertaken subject to other commitments at the time of the auction and we do not accept liability for failing to execute an online internet bid or for errors or omissions in connection with this activity.
